Date Mailed: 06/06/2002

Receipt is acknowledged of this nonprovisional Patent Application. It will be considered in its order and you will be notified as to the results of the examination. Be sure to provide the U.S. APPLICATION NUMBER, FILING DATE, NAME OF APPLICANT, and TITLE OF INVENTION when inquiring about this application. Fees transmitted by check or draft are subject to collection. Please verify the accuracy of the data presented on this receipt. If an error is noted on this Filing Receipt, please write to the Office of Initial Patent Examination's Filing Receipt Corrections, facsimile number 703-746-9195. Please provide a copy of this Filing Receipt with the changes noted thereon. If you received a "Notice to File Missing Parts" for this application, please submit any corrections to this Filing Receipt with your reply to the Notice. When the USPTO processes the reply to the Notice, the USPTO will generate another Filing Receipt incorporating the requested corrections (if appropriate).

**LICENSE FOR FOREIGN FILING UNDER  
Title 35, United States Code, Section 184  
Title 37, Code of Federal Regulations, 5.11 & 5.15**

**GRANTED**

The applicant has been granted a license under 35 U.S.C. 184, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" followed by a date appears on this form. Such licenses are issued in all applications where the conditions for issuance of a license have been met, regardless of whether or not a license may be required as set forth in 37 CFR 5.15. The scope and limitations of this license are set forth in 37 CFR 5.15(a) unless an earlier license has been issued under 37 CFR 5.15(b). The license is subject to revocation upon written notification. The date indicated is the effective date of the license, unless an earlier license of similar scope has been granted under 37 CFR 5.13 or 5.14.

This license is to be retained by the licensee and may be used at any time on or after the effective date thereof unless it is revoked. This license is automatically transferred to any related applications(s) filed under 37 CFR 1.53(d). This license is not retroactive.

The grant of a license does not in any way lessen the responsibility of a licensee for the security of the subject matter as imposed by any Government contract or the provisions of existing laws relating to espionage and the national security or the export of technical data. Licensees should apprise themselves of current regulations especially with respect to certain countries, of other agencies, particularly the Office of Defense Trade Controls, Department of State (with respect to Arms, Munitions and Implements of War (22 CFR 121-128)); the Office of Export Administration, Department of Commerce (15 CFR 370.10 (j)); the Office of Foreign Assets Control, Department of Treasury (31 CFR Parts 500+) and the Department of Energy.

**NOT GRANTED**

No license under 35 U.S.C. 184 has been granted at this time, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" DOES NOT appear on this form. Applicant may still petition for a license under 37 CFR 5.12, if a license is desired before the expiration of 6 months from the filing date of the application. If 6 months has lapsed from the filing date of this application and the licensee has not received any indication of a secrecy order under 35 U.S.C. 181, the licensee may foreign file the application pursuant to 37 CFR 5.15(b).

**REQUEST FOR CORRECTED OFFICIAL FILING RECEIPT**

Sir:

We acknowledge receipt of the Official Filing Receipt for the above-identified application. However, there are seven errors on the Official Filing Receipt (which are highlighted in yellow on the enclosed copy of same), which need to be corrected as follows.

Pursuant to the Revocation and Appointment of Power of Attorney and Change of Correspondence Address which we filed on December 20, 2001, the attorney name and address is incorrect on the Official Filing Receipt; instead of

"20210  
Davis & Bujold P.L.L.C.  
500 North Commercial Street  
Fourth floor  
Manchester, NH 03101",

It should read

-- Philip R. Warn  
Warn, Hoffmann, Miller & LaLone, P.C.  
P.O. Box 70098  
Rochester Hills, MI 48307 --.

Please change the attorney docket number from "BSG(A) P13AUS" to  
--SCH-00052--.

The city of the first applicant is wrong on the Corrected Official Filing Receipt;  
instead of "HALLET COVE", it should read --Hallett Cove--.

Pursuant to the Letter Correcting Typographical Error in Inventor's Name which  
we filed on July 18, 2003 (copy enclosed), the first name of the second inventor is  
incorrect on the Corrected Official Filing Receipt; instead of "Gary", it should read  
--Garry--.

The city of the second applicant is wrong on the Corrected Official Filing Receipt;  
instead of "Morphett Vaze", it should read --Morphett Vale--.

The last name of the third applicant is wrong on the Corrected Official Filing  
Receipt, instead of "Van De Loo", it should read --van de Loo--.

Also, the filing date for the foreign application is wrong on the Corrected Official  
Filing Receipt, instead of "02/09/2001", it should read --02/09/1999--.

Accordingly, would you please correct your records and issue a corrected Official Filing Receipt.

Respectfully submitted,

WARN, HOFFMANN, MILLER & LALONE, P.C.

LETTER CORRECTING TYPOGRAPHICAL ERROR IN INVENTOR'S NAME

Dear Examiner:

Applicant is writing to notify Examiner that there is a typographical error in the spelling of at least one of the named inventors for the above-referenced pending application. MPEP 605.04(b) states that:

When a typographical or transliteration error in the spelling of an inventor's name is discovered during pendency of an application, a petition is not required, nor is a new oath or declaration under 37 CFR 1.63 needed. The U.S. Patent and Trademark Office should simply be notified of the error and reference to the notification paper will be made on the previously filed oath or declaration by the office.

The following is a list of the typographical errors and the needed correction:

No.	<u>Inventor's Name (as currently listed)</u>	<u>Inventor's Name (w/error corrected)</u>
1.	Gary Gordon Leslie Fimeri	Garry Gordon Leslie Fimeri

Applicant respectfully requests that the error be corrected and that proper documentation of the error is made part of the file history.

Applicant believes no fee to be due for this filing, however, should additional fees be due in order to prevent the abandonment of this application, please consider this as authorization to charge Deposit Account No. 501612 (Warn, Burgess & Hoffmann, P.C.) for any such fees due.

If you have any further questions, please do not hesitate to contact us at (248) 364-4300.

Respectfully submitted,
